Po vzoru programov Shoot the book!, ki je zaživel leta 2014 v Cannesu, in Books at Berlinale, ki v Berlinu poteka že od leta 2006, želimo spodbujati filmske adaptacije knjižnih del slovenskih literatov. Ker bo Slovenija leta 2022 častna gostja na globalno najpomembnejšem knjižnem sejmu v Frankfurtu, ki je tudi partner obeh omenjenih programov na festivalih v Cannesu in Berlinu, se slovenskim ustvarjalcem obeta veliko možnosti za predstavitev filmičnih knjižnih predlog. To je priložnost, da tudi v Sloveniji ustvarimo platformo, ki lahko oživi trg adaptacij slovenske literature za film, in animiramo slovenske in mednarodne filmske ustvarjalce.

Inspired by Shoot the Book!, a fixture in Cannes since 2014, and Books at Berlinale, an initiative launched back in 2006, our aim is to encourage adaptations of books by Slovenian authors for the screen. As Slovenia was selected to be the 2022 guest of honour at the prestigious Frankfurt Book Fair, who is also a partner to the two programmes in Cannes and Berlin, there will be ample opportunity for Slovenian authors to showcase their books with filmic potential. This is a chance for Slovenia to establish a platform that can create a market for adaptations of Slovenian literary works and motivate Slovenian and international filmmakers.

**Koprodukcijsko srečanje (CPRM) –

**REACT Masterclass z Marto Andreu –  
O možnosti reči mogoče**

V času okoljskih kriz brez primere, nenehnega kršenja najbolj temeljnih pravic ter brezmejne prekarnosti in ekstremizma se zdi, da ustvarjanje prevzema vlogo ostrega obsojanja in odločnega ukrepanja. Toda kako je mogoče prevzeti to odgovornost, ne da bi se hkrati odrekli refleksivnemu in poetičnemu pristopu k realnosti? Kako je mogoče razviti to moralno zavezo, ne da bi zanemarili prostor plodovitosti in lucidnosti, ki se razpira med dvomom in nasprotovanjem? Marta Andreu je producentka dokumentarnih filmov, specializirana za izvajanje delavnic. V zadnjih petnajstih letih je zasnovala in po vsem svetu vodila številne filmske delavnice, v katerih se posveča specifičnim temam in vsebinam.

**REACT Masterclass by Marta Andreu –  
About the possibility of saying maybe**

In times of unprecedented environmental crises and constant abuses of the most essential rights, of limitless precariousness and extremism, creation seems to be assuming the role of forceful denunciation and decisive action. But how can this responsibility be taken without renouncing the reflexive and poetic approach to reality? How can this ethical commitment be elaborated without neglecting the fertile and lucid space extended between doubt and contradiction? Marta Andreu is a documentary producer and workshop specialist. For the past 15 years, she has been creating and leading many film workshops around the world with specialized themes and content.

**V ANGLEŠČINI****11:30–13:30****Okrogle mize Društva slovenskih AV igralcev (DSI) v sodelovanju z Zavodom AIPA – Igralec in njegova pravica**

Slovenski filmski igralci so pri nadomestilih iz naslova avtorske in sorodnih pravic v primerjavi z drugimi državami zakonsko izrazito diskriminirani. Igralec ima po zakonu iz leta 1995 (!) pravico le do nadomestila za privatno ali drugo lastno reproduciranje. Ali je še danes AV igralec res le *izvajalec*, kot pravi 25 let star zakon? Potreben je progresiven javni diskurz o tej temi in Festival slovenskega filma je kot osrednja filmska prireditev, ki združuje vse profile filmskega delovanja, gotovo najprimernejši prostor, ki lahko ponudi kritičen pogled nanjo. K okrogli mizi so vabljeni uveljavljeni igralci, predsednik društva DSI Sebastian Cavazza, člani Katarina Čas, Branko Završan, Jurij Drevenšek, Ludvik Bagari in Maja Sever ter gost iz belgijske organizacije PlayRight Ioan Kaes. Dogodek bo povezoval igralec Matej Zemljic.

**IN ENGLISH****11:30–13:30****Actors Guild of Slovenia in collaboration with AIPA round-table discussion – Actor and their right**

Compared to other countries, Slovenian actors are distinctly discriminated in terms of copyright and related rights. Under the applicable law from 1995 (!), actors have the right to remuneration for private copying only. Is an actor today really just a *performer* as stated in the 25-year-old law? The issue requires a progressive public debate and the Festival of Slovenian Film, as a central film event that brings together all film profiles, is certainly the best platform to offer a critical view on the subject.

Invited panellists include members of the Actors Guild of Slovenia, president Sebastian Cavazza, and members Katarina Čas, Branko Završan, Jurij Drevenšek, Ludvik Bagari, Maja Sever, and a guest from the Belgian organization PlayRight, Ioan Kaes. Chaired by actor Matej Zemljic.

Predstavljeni bodo tudi primeri uspešnih slovensko-italijanskih koprodukcij ter akterji, kot so italijansko nacionalno združenje filmske in avdiovizualne industrije, program usposabljanja Torino Film Lab, Italijanski inštitut za kulturo iz Ljubljane in predstavnštvo Italijanske trgovinske agencije v Sloveniji.

**Okrogla miza DPPU – Ustvarjalni aspekt montažnega oblikovanja filmskih podob**

Film je v svojem bistvu avdiovizualni medij. Svojo vizualno plat izraža prek filmskih podob in na ta način občinstvu posreduje zgodbo, zvok pa je lahko slušna analogija podobe. Film vsakomur ponuja možnost sanjanja in svobodnega izražanja sanj. Montažna sintaksa ali skladnja je pri tem ključnega pomena, saj pri njej ne gre zgolj za mehansko združevanje podob. Gre za kreativen postopek, ki dokončuje proces ustvarjanja filma. O pomenu vizualnih in zvočnih podob ter o njihovem skladanju bomo govorili s strokovnjaki s tega področja, in sicer s slikarjem in vizualnim umetnikom Robertom Černelčem, glasbenikom in skladateljem filmske glasbe Janezom Dovčem ter vrhunskim in večkrat nagrajenim filmskim montažerjem Milošem Kaluskom. Vsi trije trenutno sodelujejo pri skupnem projektu in bodo ekskluzivno delili z nami to dragoceno izkušnjo.

Povezuje filmska in televizijska montažerka Olga Toni.

Društvo postprodukcijskih ustvarjalcev (DPPU) je edino reprezentativno stanovsko društvo na področju Slovenije, v katerem se povezujejo ustvarjalci filmske postprodukcije na področju montaže slike in zvoka, snemanja in oblikovanja zvoka ter obdelave slike.

**Association of Postproduction Artists round table – The creative aspect of editing cinematic images**

At its heart, film is an audiovisual medium. To communicate a story, it conveys its visual side through cinematic images, while sound can be an acoustic equivalent of the image. Cinema gives everyone a chance to dream and freely express their dreams. In the process, editing syntax is key, being more than just mechanical assembly of images. This is a creative practice that wraps up the process of making a film. The importance of visual and acoustic images and of the process of piecing them together will be discussed with professionals in the field: painter and visual artist Robert Černelč, musician and film score composer Janez Dovč, and celebrated, award-winning film editor Miloš Kalusek. The three of them are currently working on a project together and will share some exclusive details of this valuable experience.

Chaired by film and TV editor Olga Toni.

The Association of Postproduction Artists (DPPU) is the only trade association in Slovenia that brings together and represents postproduction artists engaging in picture and sound editing, sound recording and design, and image processing.

Predava Gregor Skender**

Svetovalno podjetje Deloitte je v sodelovanju z Društvom slovenskih producentov in Zavodom AIPA pripravilo analizo ekonomskih in fiskalnih učinkov avdiovizualne industrije v Sloveniji. Analiza je pod drobnogled vzela fiskalne in ekonomske učinke avdiovizualne industrije na domače gospodarstvo ter vpliv državnih podpor na razvoj avdiovizualne industrije. Rezultati kažejo, da pomen avdiovizualne industrije tako v svetovnem kot tudi v domačem gospodarstvu narašča, obenem pa izpostavljajo potrebo po nadaljnjem razvoju dialoga med avdiovizualnimi ustvarjalci in pristojnimi javnimi institucijami.

Študijo sta pripravili producentski združenji s finančno pomočjo AIPE in strokovno pomočjo SFC, javne agencije. Namen študije je pregled ekonomskih in fiskalnih učinkov avdiovizualne industrije v Sloveniji in prestavitev predlogov razvoja AV industrije. In collaboration with the Producers Guild of Slovenia and AIPA, Deloitte has conducted an analysis of the economic and fiscal impacts of the audiovisual industry in Slovenia. The analysis focuses on the fiscal and economic impacts of the audiovisual industry on the Slovenian economy, and the effect state grants have on the development of the industry. Results show that the importance of the audiovisual industry for economy is growing both at global and national levels, while indicating the need for further dialogue between the industry and competent public institutions.

The study was carried out by the two producers' associations with financial input from AIPA and professional input from SFC. The purpose of the study is to examine the economic and fiscal impacts of the audiovisual industry in Slovenia and make recommendations for future development of the industry.
